The following resolution was submitted
by Bro. Stebbins.

"Whereas no opportunity has been
afforded for the past seven years for
revising the schedule; in order to the
working rules are increased; and

Whereas in many respects our
conditions of employment are becoming
more arduous and difficult on account
of the changing conditions due to

increased tonnage, heavier tonnage, lower grade of coal, and different operating methods; such as the running of engines over several subdivisions which can only be alleviated by the adoption of adequate rules, which will more properly safeguard our interests; and

whereas, while we all agree that an increase in wages is highly desirable, in fact is very much overdue when we consider the difference in the rates of pay has compared with those obtaining in the United States, yet we are firmly convinced that an improvement in our working conditions is vastly more essential, and judging by the experience we have already had in Canada of the new method of handling labour negotiation by the Association of General Committees, we cannot afford to depend too much on this means of securing a betterment of conditions, inasmuch as our schedule has now been open for a period of almost three & one half years, with no apparent likelihood of an early settlement;

Be it therefore resolved; That the

Recording Secretary communicate with the General Chairman, requesting him to take the necessary steps, provided in the By-Laws for the convening of the General Committee, for the purpose of revising the schedule, also that he endeavor to secure the co-operation of the B of L E; if possible, and that in the event of that not being forthcoming that we proceed to revise a separate schedule for freemen; and be it further resolved;

That the Secretary forward a copy of this resolution to all Lodges on the system, requesting them to take similar action.

Before taking action on above resolution Bro Richmond, Gen. Ch. was requested to address the Lodge, which he did, giving a review of schedule negotiations since 1923.

After considerable discussion it was moved by Bro. Henderson 2d Bro. Mitchell that the above resolution be held in abeyance until the next regular meeting.

Carried.
Moved Bro. Hansen 2d Bro. Mitchell that
